

States Day – Class III

My Colourful India

‘The beauty of the world lies in the diversity of its people!’

In today’s increasingly diverse and multicultural society, learning about one’s cultural heritage serves as a bond of unity among its citizens. To imbibe this sense of unity and patriotism, a spectacular annual show, ‘My Colourful India’ was presented by the students of Class III on 18th November 2022.

Invitation cards for the programme were designed using ‘Muggulu Art’ of Telangana. This helped them to reinforce the concept of multiplication using arrays as a tool. Parallely, students enhanced their writing skills by drafting the invitation. After the traditional welcome of the parents, the students presented an enlivening dance performance celebrating the beauty of diversity in India. With the help of a vivid PowerPoint presentation, the students took the audience on a virtual journey to the five zones of India, showing glimpses of the distinctive features of different states. A medley of songs sung mellifluously by the students was a befitting closure to the event.

The parents and the students got a taste of Indian cuisine, aptly called the ‘Taste of India’, in eco-friendly packets creatively illustrated by the students. Parents were enthralled to receive a gift, ‘Jharokha’, a paper photo frame beautifully decorated by their wards and to learn amazing facts about India.

The entire programme helped the students to learn through various hands-on interdisciplinary activities, thus enhancing their knowledge and generating awareness and love for Indian culture and heritage. The students were also taken on a round to show them the class boards that depicted the cuisines, costumes and artifacts of different regions of India. The ethos and vibrant traditions of our motherland were well imbibed by the students.

The decoration with flowers of different hues, vibrant puppets, colourful rangolis and urlis accentuated the spirit of festivity. The elaborate zonal tableaux displayed monuments and artifacts showcasing the eternal heritage of the various regions. A special tableau was made to display the Geographical Indication tags, symbolising the uniqueness of different regions of India. The astounding visual treat left everyone spellbound!

Ms. Laveena Hemrajani, Headmistress Junior School, interacted with the students and appreciated their efforts. She wholeheartedly agreed with the parents that the show resonated with the idea that the strength of our nation lies in the diversity of our rich cultural heritage. With improved learning, increased tolerance, and opportunities to come together with others, our culture enhances our quality of life.
