

## Assembly Report Class IX

*“The more you praise and celebrate your life, the more there is in life to celebrate”*

Class assembly is a very important part of school culture. It is a platform aimed at developing individual as well as life skills in students. It serves as an important resource to ignite the spirit of leadership, accountability, and responsibility.

The students of Class IX presented an assembly on Wednesday, 19<sup>th</sup> July 2023, on the topic “Celebrating Life”.

The assembly commenced with students expressing their gratitude to God for giving them another day, as an opportunity to prove themselves and reflect on their mistakes through the medium of prayer. The stage was set with a beautiful thought to view life in a positive and honest manner. This was followed by a sublime self-composed poem elucidating the beauty of life, and the reason it should be celebrated and cherished in a wondrous manner. As part of the news section, the students updated the class on the recent events at both national and international level, sports events which took place around the globe, followed by the DPS news. The news section was concluded with a comprehensive forecast of the day’s weather. The assembly culminated with a meaningful role play depicting how small things and a positive attitude can help us to celebrate and rejoice life in a fulfilling manner.
