

REPORT OF DILLI DARSHAN (2024-25)

Class IV

The Junior School students of class IV embarked on the annual 'Dilli Darshan' trip, offering a fun and educational break from studies on 15th October 2024. The day started with an exciting bus ride as students travelled to explore key landmarks of Delhi. The bus ride was full of laughter and excitement.

The first stop was Gandhi Smriti, which offered students insights into the life of Mahatma Gandhi. They explored exhibits of Gandhiji's personal items and walked along the Martyr's Column, where they learned about Mahatma Gandhi's life and contributions and where he was assassinated. The visit helped students understand his principles of non-violence and truth and deepened their understanding of the history of India's independence.

At the Nehru Planetarium, students were thrilled to watch the 3D show on the Solar System in the sky theatre. Interactive exhibits further sparked their interest in astronomy. The show took them on a fascinating journey through the solar system, galaxies, and distant stars. The children were mesmerized by the visuals of planets, constellations, and black holes. The guide explained the different phases of the moon, eclipses, and the formation of stars in a way that was easy for the students to understand. The students learned about India's space missions and how modern technology is helping astronomers unravel the mysteries of the universe. This part of the trip ignited curiosity about space exploration and sparked discussions among the students about future careers in science and astronomy.

At Akshardham Temple a scrumptious and appetizing meal was served to the students. After lunch, the tour around the temple captivated the students by its grand architecture and they all enjoyed the Hall of Values show and a Boat Ride through India's ancient history. They appreciated the architectural grandeur of Swaminarayan Temple and were awestruck by the stunning carvings, domes, and beautifully landscaped gardens. The film on Neelkanth Yatra highlighted lessons of sacrifice and faith.

The trip concluded with a drive past Delhi's landmarks like Rashtrapati Bhavan, India Gate, War Memorial, Parliament House and North Block which the students enjoyed with snacks. The trip made the day both fun and educational for all. It was a perfect blend of education, adventure, and fun, offering an unforgettable glimpse into India's rich history and heritage.
