

Class V- Day Camp Report

‘Making memories that last a lifetime.’

Class V students had a wonderful opportunity to engage in a variety of fun and educational activities at the day camp organized on 7th March 2023. The camp aimed to foster communication, collaboration, leadership, creativity, and social engagement in a safe and supervised environment.

The day began with a picnic at Tau Devi Lal Biodiversity Park in Sector 52, Gurugram, where the students enjoyed playing games amidst the picturesque and refreshing surroundings of the park. This visit helped the students to learn more about nature, instilled a sense of environmental responsibility and provided an opportunity to rejuvenate. The delectable snacks served were thoroughly relished by the students.

After returning to school, the students were engaged in a sculpture activity that encouraged creativity and independence. The planetarium set up in the school premises was an enriching and educational experience for the students as they learned about the stars, planets and other celestial bodies. The talent show in the auditorium was a lively amalgamation of skits, foot-tapping dances and melodious songs that showcased the students' skills and talents. The treasure hunt, photo booth and sports were fun activities that the children thoroughly enjoyed.

The day concluded with a delightful dinner and the children were given a beautiful calendar to take home as a memento. The day camp was an excellent opportunity for the children to have fun, make friends, develop important social skills and create cherished memories that will last a lifetime.
