

## REPORT ON GOOD READERS VISIT

*“Between the pages of a book is a lovely place to be.”*

Books have the magic to transfer readers into another realm. Reading can spark one’s imagination, stimulate curiosity and facilitate holistic development. The good readers of class V, who showcased their knack for reading throughout the year, visited Crossword Bookstore, Gurugram, on 2nd February 2023.

Our young readers were excited to visit the store. They avidly browsed through every shelf looking for the books of their choice. It was a refreshing experience for them to independently explore different genres ranging from classic literature to children’s books. They were overjoyed to buy their favourite books. In addition, a storytelling session was also organised for them. Ms. Shruti Garodia, the author of ‘History Hunters’, introduced the students to her book and transported them to a different world. She motivated them to nurture their love for reading as it plays a major role in moulding their young minds.

The visit was an enriching and rewarding experience for all the students. They felt inspired to read more and were looking forward to more such opportunities.
