**FLAVORS AND TALES - AROUND THE GLOBE: A CULINARY JOURNEY**

Food, as a powerful connector of memories and cultural flavours, plays a significant role in shaping our identity.

Delhi Public School, Sector 45, Gurgaon, in collaboration with RWYC (Reconnecting with Your Culture), has undertaken a culinary exploration through a e-flipbook titled 'Flavors and Tales - Around the Globe: A Culinary Journey' <https://online.fliphtml5.com/qkeuv/zuzt/>. This initiative features recipes by student chefs from Armenia, Bosnia, India, Iraq, Poland, Russia, Tanzania, and the UAE. The compilation includes an array of 34 recipes and 8 beverages, offering a diverse and flavourful immersion into global gastronomy.

Our heartfelt thanks to the Pro Vice Chairperson, Ms. Devyani Jaipuria, for her inspirational leadership, driving the team to contribute to projects fostering global well-being and supporting SDGs.

Our gratitude to our Director Principal, Ms. Aditi Misra, for ideating and introducing the innovative use of millets. Her initiative celebrates the United Nations' International Year of Millets and significantly broadens the culinary horizons of the participating chefs.

We extend our sincere appreciation to Ms. Sapna Dhawan, Dean Student Welfare who has provided constant guidance throughout the project. A shout-out to Ms. Mamta Kanti Kumar, Deputy Student Welfare for conceptualization of the project, and Ms. Grishma Sharma, Ms. Muskan Goyal and Ms. Sapna Gupta for playing a pivotal role in editing and designing this project.
