

Session on Cyber Safety

Ms. Sapna Dhawan, Dean- Students Welfare, Delhi Public School, Gurgaon conducted an awareness session on Cyber Safety with students of Class VI on 24th January 2023. Calling it an unsafe and dangerous zone, ma'am warned the students about cyber footprints and their long term impact. She reminded them that the parents of all students have signed an undertaking to state that children will not be on social networking sites. Ma'am asked any student having an account on any such site to delete it with immediate effect, conforming with the regulations of the school and for their own safety. She also answered queries raised by the attentive audience.
