

CYBER SMART TRAINING SESSION

ATL Team organised training session on Cyber Security in four batches for all teachers of Delhi Public School, Sector 45, Gurgaon conducted by WNS Care Foundation (WCF) in collaboration with Atal Innovation Mission.

The objectives of the session were to acquaint the teachers on key concepts of cyber safety and to equip teachers to conduct awareness sessions for fellow teachers, students and parents on cyber safety

Later, training sessions on Cyber Security were conducted for all students of classes III to XII by their teachers from Computer Science department to enlighten students about right use of technology.

The students participated enthusiastically and obtained the Cybersmart certificate on completion of self-assessment module. As a result, our school has been certified a CYBERSMART SCHOOL by WNS Care Foundation and Atal Innovation Mission.
