

ECO-ADVENTURE REPORT

CLASSES IV and V

In every walk with nature, one receives far more than he seeks.

School camping is a vital part of educational experiences, offering students a blend of adventure, learning, and personal growth. Keeping this in mind, Delhi Public School, Gurgaon organized an Eco Adventure Camp to Village Mitraon, Najafgarh for the students of Classes IV and V on 20th February 2025 and 16th of December 2024 respectively.

The students had the opportunity to engage in a variety of exciting and adventurous activities. Under the guidance of trained instructors, they participated in wall climbing, balance beam walking, commando net crossing, commando crawling, tunnel crossing, and artificial river crossing.

They also enjoyed traditional rides on camel carts, tractors, and bullock carts. Following these activities, they relished the delicious meals provided to them. The entertainment continued with a captivating magic show, and they enthusiastically danced to popular music played by the DJ. Amidst the tranquil and lush green surroundings of the farm, the students experienced the charm of rural life.

The camp provided a balanced mix of educational and recreational activities, leaving a lasting impact on all the participants. They came back with enhanced teamwork skills, stronger peer connection and lots of sweet memories to cherish for a lifetime.
