

Educators Rendezvous

High School Moms, Asia's leading parent community organized 'Educator Rendezvous' on 10th of June 2022 in Goa.

This two-day event focussed on bringing the top educators, Head of schools and counsellors under one roof to discuss the future of education and to empower the parents and children in choosing a rewarding and a fulfilling career.

More than 60 counsellors from all over India & several University representatives attended the conclave with about 10 Heads of Schools. The program focused on networking within the educator's community with educators arriving from countries like Canada & Australia.

Ms. Aditi Misra, our Director Principal spoke about her journey as an Educator & shared vital Life Lessons with the audience.

The importance of Mental Wellness & how to 'get there' was also discussed. University Reps gave the audience an insight into the courses being offered at their campuses.

The Round Table discussion centred around the need for Change in the realm of Education ... Disruption or Progression.

The entire group agreed on the NEED for change & the fact that a new order will emerge out of disruption.
