

## **FUN DAY REPORT**

*‘Your imagination gives you the wings with which you can fly high and conquer the entire sky.’*

Summer vacation is the best time of the year for children as they get the opportunity to explore new things. Keeping this in mind the Junior Wing, observed ‘Fun Day’ on 31<sup>st</sup> May 2022 which was the last day of school before the summer break. It was a day full of fun activities and games.

Witnessing an enthusiastic response and participation, the excitement started with hurdles and other races which was a great way to showcase their sports talent. The students were engaged in an artistic endeavour that fostered their creative spirit by doodling their favourite cool and tasty delicacy. Another highlight was the ‘Radio Jockey’ - Show and Tell activity in which the students showcased their oratory skills. The day culminated wherein the children grooved to the rhythm of the music.

The smiles on the students’ faces were proof of the grand success of the day and set the pace for every school day to be as joyful as the Fun Day.
