

## Report on III Language Day Assembly

*‘Knowledge of languages is the doorway to wisdom.’*

Languages are windows to different cultures, allowing us to connect with others from around the world. Each language encourages us to embrace new customs and cultural nuances.

To help the students understand the world from a new perspective, III Language Day was celebrated in the Junior School on 23<sup>rd</sup> and 24<sup>th</sup> February 2024. To celebrate this day, a special assembly was presented by the students of classes IV and V. The assembly started with a recital of Sanskrit ‘shlokas’ followed by a presentation of news in Spanish. A skit on *‘Our diversity makes us stronger’* was performed by the students learning French. The assembly ended with a foot tapping dance performance on a German song. The Vice Principal, Ms. Arpna Gupta, addressed the students and encouraged them to learn different languages, in order to foster cultural awareness and acceptance.

As part of III Language Day celebration, students enjoyed various activities. Students of Class IV made alluring bookmarks on adjectives in their respective III language. The students of Class V made a game of ‘Tip Top’ with vocabulary and with beautiful illustrations on each side. The students also participated in an exciting game of football, the most popular sport of Europe. The students watched a movie in their respective III language and were engaged in the discussion on the moral of the story. The students danced on songs on different languages with a lot of zeal and enthusiasm to mark the end of a fun filled day.
