

## **REPORT-Address by Dean, Student Welfare**

On 24<sup>th</sup> January 2023, the students of Class VI were addressed by Dean Student Welfare, Ms. Sapna Dhawan. In this session, the students were enlightened about the ill effects and repercussions of being on social media platforms like Discord, Instagram etc., at a tender age. The concept of digital footprints which can't be erased and become a part of a student's profile was explained in detail. They were urged to delete all accounts as such platforms are extremely addictive in nature and tend to hinder students' educational growth. They were acquainted with the importance of focusing on learning and studying which would foster their development.

During this session, the obnoxious impact of these platforms, which often leads to unwanted distraction and cyber bullying, were also reiterated. Students were advised to devote their crucial time on learning and exploring educational material which would benefit them in imbibing high values.
