

Guest Speaker Program
Saturday, 17th May 2025
Class – VII & VIII

Resource Person- Ms. Manasi Midha

Report on GSP Session: "Role of Homeopathy in Modern Times"

A Guest Speaker Program (GSP) session was recently held for students of Classes VII and VIII, featuring Dr. Mansi Midha as the esteemed speaker. The session centered on the topic "Role of Homeopathy in Modern Times," aiming to enlighten young minds about this alternative system of medicine. Dr. Midha adeptly introduced the core concepts and fundamental principles of homeopathy, providing a clear understanding of its approach to healthcare. Furthermore, she broadened the students' horizons by highlighting the diverse career opportunities that the field of homeopathy presents in contemporary society.

Beyond the theoretical aspects, the session also incorporated practical knowledge by addressing basic first aid techniques for various common situations. This valuable addition equipped the students with essential skills for immediate response in case of minor health emergencies. Overall, the GSP session proved to be both insightful and informative, successfully enhancing the students' awareness of the significance and relevance of homeopathy within the modern healthcare landscape.
