

## INTACH ACTIVITY FOR MIDDLE SCHOOL, SEPTEMBER '23 'THE PASSIONATE NATURE LOVER IN ME'

On 20<sup>th</sup> September 2023, the INTACH club at DPS Gurgaon organised a vibrant and educational activity to commemorate National Forest Martyrs Day. The overarching theme of the event was 'The Passionate Nature Lover in Me,' which aimed to ignite a deep appreciation for nature and environmental conservation among the students. The students displayed remarkable enthusiasm throughout the event, engaging in the activities designed to instill a sense of responsibility and love for our natural world.

They delved into the annals of India's powerful environmental movements, showcasing their commitment to understanding and addressing critical environmental issues. Students enthusiastically undertook the task of redesigning posters featuring their favourite animal-themed movies. This activity not only honed their artistic skills, but also allowed them to express their admiration for the animal kingdom in an imaginative way.

By actively participating in various activities, the students gained a profound understanding of the crucial role that forests play in our ecosystem. All in all, the activity served its purpose of nurturing a generation of passionate nature lovers and environmental advocates.
