

INTACH ACTIVITY FOR MIDDLE SCHOOL, JANUARY '24 'Harvest Festivals –Celebrating the spirit of Gratitude'

On the 17th January 2024, the INTACH club at Delhi Public School Gurgaon organised various engaging and educational activities centred around the theme 'Harvest Festivals of India'.

The aim of these activities was to immerse students in the diverse cultural traditions of India and enhance their understanding of the significance of harvest festivals. Students created pencil sketches depicting the celebration of a chosen harvest festival. The sketches were vibrant and detailed, capturing the essence of the festivities. Students also researched and wrote about one harvest festival of their choice. Their writings delved into the historical and cultural aspects of the selected festival, exploring its significance in different regions of India. Adding a culinary dimension to the event, students prepared a recipe guide featuring a special dish associated with the harvest festival they had researched. In conclusion, the INTACH club's initiative to explore and celebrate the harvest festivals of India through various creative outlets was both educational and enjoyable. Such activities play a crucial role in fostering a sense of cultural pride and respect among the younger generation.
