

INTACH ACTIVITY- JANUARY MIDDLE SCHOOL

In the month of January, the INTACH school group organised a Poster Making activity for the students of Middle School. The theme for this activity was 'Khana Khazana- My Food Heritage.'

In this activity, students made beautiful posters on the food heritage of their region. The poster was accompanied by an essay, highlighting the unique dish, with its history, recipe and significance. Students also wrote about the specific utensils used in preparation of the dish, its origin as well as the qualities.

This enriching and engaging activity encouraged the students to showcase their creativity as well as to discover regional culinary history of the country at the same time. The activity also helped them to appreciate the food they eat.
