

## INTACH ACTIVITY-JULY MIDDLE SCHOOL

*'A man does not plant a tree for himself but he plants it for posterity.'*

The INTACH members of DPS Gurgaon organised an activity, on 20<sup>th</sup> July 2022, for the students of Middle School based on the theme 'Botanical Folklore of India'.

Trees play a significant role in human life. They are revered in the Indian culture for their numerous fine attributes. Exploring more about the plants as well as trees of our country, students of classes VI to VIII prepared creative write-ups on prominent Indian trees wherein they mentioned important facts, myths and medicinal value of various trees. Some of the students presented a hypothetical interview with the trees. Students enjoyed and learnt many new and intriguing facts about the plant kingdom through this interesting activity.
