

INTACH- World Museum Day Activity

A visit to a museum is a search for beauty, truth and meaning in our lives. Go to museums as often as you can.

– Maira Kalman

On 9th May 2022, the INTACH members of DPS Gurgaon organised an activity, ‘Mesmerizing Museums’ for the students of Middle School on the occasion of ‘World Museum Day’ showcasing their creativity, students designed a **comic strip** depicting the importance of museums and their role in the preservation of culture. They were also asked to sketch pictures of any two artefacts out of the ones they had observed on their visit to the museum. Students learnt the significance of Museum Day in creating and spreading awareness about the role of museums, fostering a better understanding of the historical richness of the various cultures around the world.
