

INTER HOUSE MATHEMATICS QUIZ- CLASS VIII

“It is important to approach Maths only in a spirit of curiosity and discovery.”

- Shakuntala Devi

Online Interhouse Mathematics Quiz was organised by Delhi Public School, Gurgaon for the students of class VIII on 16th July 2021. Ninety one students participated in the preliminary round which was conducted on 14th July 2021. Two participants from each house were selected for the final round.

The function commenced with welcoming the guests and introducing the participants of the respective houses. Nandini Chanana, Vice Head Student Council and Mimansa Agarwal, Secretary, PI Squad, (Math Club) along with Math teachers were the quizmasters. The quiz had several rounds like mental ability, decode it, problem solving, spot the error and rapid fire. After the completion of every round, the students were introduced to interesting facts of mathematics.

Ayush Agarwal and Reyansh Sankhyan of Chenab House bagged the first position followed by Niral Mehta and Vivaan Banga of Ganges House who secured the second position.

All the participants from the respective houses took part, enthusiastically, and honed their mathematical skills. It also enabled them to develop confidence and spontaneity while learning at the same time.

The Dean, Student Welfare, Ms. Sapna Dhawan, Headmistress - Middle School, Ms. Shalini Arora, Deputy Dean- Ms. Mamta Kanti Kumar and the Senior Mistress - Middle School, Ms. Shaifali Bhatt, applauded the participants' competitive spirit and congratulated the winners.
