

Assembly Report Class IX Spreading Smiles

“Let us always meet each other with a smile, for the smile is the beginning of love.” ~ Mother Teresa

Class assembly is a platform aimed at developing individual as well as life skills in students. It serves as an important resource to ignite the spirit of leadership, accountability, and responsibility.

The students of Class IX presented an assembly on Wednesday, 26th July 2023, on the topic “Spreading smiles”.

The assembly commenced with a prayer where the students expressed their gratitude to God for giving them a reason to smile and seeking an opportunity to be a reason of someone’s smile. The thought of the day was presented by the students encouraging their peers to share smiles with the world.

As part of the news section, the students updated the class on the recent events at both national and international level, sports events which took place around the globe, followed by the DPS news and the weather report. A beautiful self-composed poem reflecting the beauty of a simple smile, and the wonders it can entail was presented by the students followed by a Rap song which eventually made everyone smile ear to ear.

The students emphasised on the saying “when you see someone without a smile; just give them one of yours” through this assembly.
