

REPORT – MUN INDIATION

"The only way to achieve the impossible is to believe it is possible."
- Charles Kingsleigh

Model United Nations, also known as Model United Nations or MUN, is an educational simulation in which students learn about diplomacy, international relations, and the United Nations. MUN teaches skills like research, public speaking, debating, and writing, in addition to critical thinking, teamwork, and leadership. Participants take on the roles of delegates representing various countries or non-governmental organisations (NGOs) in simulated committees and engage in debates and discussions on global issues.

The Indiation program for the students of class VI was held from 12th March 2024 to 14th March 2024. It was an orientation program for new participants to Model United Nations (MUN). During the Indiation programme, learners honed various soft skills like collaboration, problem solving & lateral thinking by participating in various activities. The session helped in developing leadership, diplomacy, and global citizenship skills, and encouraged participants to continue their involvement in MUN activities..

These activities focused on developing essential 21st century skills This also helped in developing their confidence and the art of convincing others. Learners participated enthusiastically and enjoyed all the activities.
