

## Infant- Mom & Me

3 February 2025

Mom & Me was a heartwarming celebration of love, laughter, and creativity, specially planned to welcome the advent of spring! The Director Principal, Ms. Aditi Misra, along with the leadership team, joined the little Pre-Nursery stars and their mums for a delightful day filled with games, music, and hands-on fun.

The Infant Wing lawn was filled with joy and cheer as mothers and children bonded over shared moments of laughter and creativity. Each mum took home a beautifully crafted keepsake and a heart full of cherished memories, making the day truly unforgettable for all!
