

Infant-Pyjama Party

Pyjama Party was one of the most eagerly awaited events for our students. Excitement filled the air as the children stepped into a beautifully decorated room that shimmered with glow-in-the-dark accents, creating a magical, and starry-night atmosphere.

Dressed in their adorable night suits, the students beamed with joy as they danced, laughed, and played with their torchlights under a canopy of twinkling stars. A line up of engaging activities kept their spirits high, including *Holly Jolly Roll*, *Tinsel and Glue*, *Ring the Reindeer* and *Colour Quest*. The Christmas carols filled the air with warmth and festive cheer. The highlight of the day was *Merry Moves*, where the children couldn't stop giggling and grooving together.

Everyone cheered and participated with great enthusiasm in the much-loved Santa Race. The excitement carried into a delightful picnic in the school lawn, where the students enjoyed nutritious snacks.

The event was graced by our esteemed Director Principal Aditi Ma'am, Vice Principal Santvna Ma'am, Mentor Rashmi Ma'am, and Headmistress Shradha Ma'am, whose presence made the day even more special.

This unforgettable day was filled with laughter, joy, and cherished memories, leaving everyone with smiles that lasted long.
