A special picnic was held for the moms' of Infant class on 13 February 2023. Out in the park, which was beautifully decorated in vibrant colours. The moms and their little ones looked amazing dressed in red. The Vice Principal, Ms Santvna Thadani graced the occasion and was appreciative of everyone's wholehearted participation in the plethora of activities specially planned for the day. Special games, dance, aerobics, cake decoration and art corner were enjoyed by all. It was wonderful to see the children enjoying the activities with their moms.
