

REPORT-INTER HOUSE MATH QUIZ

CLASSES VI and VII

'Mathematics, as an expression of the human mind reflects the active will, the contemplative reason, and the desire for aesthetic perfection.'

To hone the mathematical skills of the students, an Inter-House Math Quiz was organised by Delhi Public School, Gurgaon for the budding Mathematicians of classes VI and VII on 5th and 7th December 2022.

The Quiz was conducted in four rounds- Identify the Mathematician, Visual, Spot the Error and Rapid Fire which tested the arithmetical knowledge and higher order thinking skills of the students. Rapid Fire round filled them with thrill and enthusiasm. Students actively participated in the quiz showcasing their tremendous potential and brilliance.

Jhelum House bagged the first position followed by Jamuna House in class VI and Jamuna House bagged the first position followed by Ravi House in class VII.

The quiz helped in developing confidence and spontaneity among the young learners while acquiring numerical expertise.
