

Interact Club and CEEC activity– May 2025

‘Unwrap Sustainability’: Honouring Two Mothers, One Planet

The Interact Club and the Council for Environment Education and Cultural programme (CEEC) of DPS Gurgaon joined hands to lead a meaningful and heartfelt initiative—‘*Unwrap Sustainability*’—with a unified aim: to honour the nurturing spirit of both our birth mothers and Mother Earth on the occasion of Mother's Day.

Held on Friday, May 9th, 2025, the activity was conducted for students of classes VI to X from Shiksha Kendra. The event beautifully blended creativity, compassion, and environmental awareness. It was also a proud moment as 16 newly inducted class IX Interactors, along with 7 dedicated CEEC volunteers, conducted their very first activity with enthusiasm and warmth.

The students learned to craft eco-friendly gift wraps using newspapers, scrap cloth, and recycled materials—simple resources that became powerful symbols of love, care, and sustainability. These handcrafted gifts were more than tokens for their mothers—they represented a heartfelt expression of gratitude and a promise to nurture the planet.

The initiative helped draw a meaningful parallel between the unconditional love of a mother and the silent, sustaining presence of Mother Earth. It encouraged young minds to embrace sustainable practices, echoing the values of *Sustainable Development Goal 12: Responsible Consumption and Production*.

The activity was more than a celebration—it was a reflection of enduring values passed from one generation to the next. ‘*Unwrap Sustainability*’ gently reminded all involved that through small, mindful actions, we can honour the givers of life and shape a more caring, conscious world—one thoughtful gesture at a time.
