

JAIPUR RANTHAMBORE TRIP

“We travel not to escape life, but life not to escape us” – Thomas Jefferson

Delhi Public School, Gurgaon organised a three-day educational tour to Jaipur and Ranthambore for the students of Class XII from 4th June, 2022 to 6th June, 2022. The excursion began at the Pink City of Jaipur where the students explored the Bapu Bazaar which is known for its alluring Rajasthani products including textiles, handicrafts, brass works and precious stones. Some of them got gifts for their loved ones, while some enjoyed delicious little treats. The next stop on the journey was Chowki Dhani - a mock village which displays the vibrant culture, art, folklore and tradition of Rajasthan. The students experienced the countryside life and learnt about the history of the Rajput valour.

The next day began with the thrilling experience of the jungle safari at the Ranthambore National Park where children spotted deer, sambar and rare species of birds, in their natural habitat. The spectacular view of three tigers was exhilarating. The trip ended on a high note with the students putting on their dancing shoes and swing to the groove of the DJ's music. Overall, it was an action-packed tour with fun filled activities and enriching experiences to learn from.
