

World Book Day

“Books are the plane, and the train, and the road. They are the destination, and the journey. They are home.”

- Anna Quindlen

To emphasize the value of books and to inculcate the habit of reading amongst students, the Junior School celebrated the Book Week from 17th to 21st April 2023. The students enthusiastically participated in the celebration of World Book Day.

A book fair was organized during this week for the students by Scholastic India Pvt. Ltd. It was inaugurated by the Dean of Student Welfare, Ms. Sapna Dhawan. The books from all literary genres were displayed and the students were offered an opportunity to visit and select books of their choice and interest. DEAR (Drop Everything and Read) was also observed in the classes wherein the students and the teachers dropped their work and read their favourite books. As part of this programme, students pledged to continue their reading journey.

Various activities such as ‘Bookmark Making’, ‘Stick Puppet Making’ and ‘Slogan Writing’ were conducted for the students. They displayed some immaculate work as this was an opportunity for them to showcase their creativity. The students took part in these activities wholeheartedly and enjoyed themselves thoroughly.

The Book Week culminated proudly by making students realise that reading is the gateway that makes all learning possible.
