

Infant

My Superhero-Dad

(17.5.23 – 19.5.23)

The little ones of the Infant class planned a special day to celebrate their loving bond with their dads, *My Superhero-Dad* as part of Father's Day celebration.

The Director Principal, Ms Aditi Misra applauded the dads for taking out time and being there for this special day. After a warm welcome, all the dads and children enthusiastically took part in a variety of activities, including ruffle dance, nature freeze dance, bookmark making, and crafting a special necklace for the moms.

Each dad received a keychain, a beautiful card and a planter as special takeaways.

This event not only celebrated the bond between children and their superhero dads but also created cherished memories filled with love and gratitude.
