

Topic: Museum Visit

Conducted by: INTACH

Date: 17th May, 2024

Venue: National Museum, Delhi

Attended By: 15 students of class IX alongwith Ms. Rajendrani Mukherjee

On 17th May 2024, in celebration of International Museum Day, INTACH's Heritage Education and Communication Service organised a museum walk for students at the National Museum. This initiative is part of INTACH's ongoing efforts to enhance students' learning experiences by providing educational opportunities beyond the traditional classroom setting.

The heritage museum walk offered students a unique chance to explore the rich history of our nation in an immersive environment. The National Museum visit enabled students to engage deeply with historical artifacts and artistic masterpieces, fostering a deeper appreciation for our cultural heritage. This hands-on experience ignited curiosity, promoted critical thinking and cultivated a lasting appreciation for the arts and history among young learners.

Through guided tours and interactive sessions, students were able to contextualize their classroom learning within the broader framework of Indian history and culture. This holistic approach not only enhanced academic knowledge but also stimulated curiosity and creativity among the participants. The workshop fostered a sense of pride and ownership in India's cultural heritage, instilling a desire to preserve and protect it for future generations. It inspired the students to become active custodians of India's rich cultural legacy.
