

Nainital-Bhimtal Trip

As rightly said, travel is the most intense form of learning. Nothing teaches us more than exploring the world and accumulating new experiences.

To provide a good base of actual hands-on experience of history and discover varied aspects of travelling, Delhi Public School, Gurgaon organised a three-day educational trip to Nainital-Bhimtal for the students of class XII from 7th to 9th June 2023. For a rendezvous with nature; Bhimtal is the place. Tucked away from the hustle and bustle of day-to-day life, Bhimtal in Uttaranchal is at an altitude of 4500 feet.

On the second day, the group drove to the beautiful Sattal Lake and enjoyed the breathtaking view. After a hearty lunch, the next stop was Bhimtal. Mother nature is at her best there; one can relax, watch birds and breathe the pure mountain air. It was an excellent retreat for outdoor enthusiasts who prefer nature to city life. The evening was filled with dance and music at the resort. The trip continued with jeep rides to the much-awaited Nainital Lake. Tired from the day's activities and travel the students then returned to the resort for a delicious meal and retired to bed.

The next day after having a filling breakfast the students enjoyed a ride back to Kaladhungi. There having had an early lunch the students dozed off in the AC coaches and returned back to the school premises. It was truly an enriching experience which left the students in awe of Mother Nature and its serenity. The picturesque lakes and the rolling mountains will forever be etched in their hearts.
