

“Research is creating new knowledge”

~ Neil Armstrong

“Unlocking the World of Research!”

National University of Singapore and Corporate Gurukul organised the event, **Unlocking the world of Research**, on an international platform on 7th October 2023. **More than 350 students** from classes VIII to XII of Delhi Public School, Sector 45, Gurgaon, along with the Computer Science teachers, attended the workshop, where they were provided an opportunity into the fascinating world of research.

It was conducted by the distinguished professor, Dr. Manoranjan Dash, Senior Research Fellow from the National University of Singapore (NUS). The workshop focused on the **'why', 'what' and 'how'**, of research, with a special emphasis on identifying research areas and solving real-world problems for global impact.

It was a fruitful and enriching session where the participants enhanced their academic capabilities and cultivated a spirit of curiosity and self-directed learning.
