

## Nursery :World Book Day-Storytelling

World Book Day was a delightful celebration for the students of class Nursery filled with stories, creativity, and excitement. A special storytelling session was conducted by a few parents, who captivated the young listeners with the enchanting tales. The children listened with rapt attention, their eyes wide with wonder as the story unfolded, igniting their imagination and curiosity. Following the session, they engaged in an exciting art and craft activity inspired by the story, creating colourful illustrations and craft pieces that brought the characters to life. The day ended with joyful smiles, laughter, and a newfound enthusiasm for reading, fostering a lifelong love for books and storytelling among the little learners.
