

ASSEMBLY REPORT

ONE THING YOU CAN'T RECYCLE IS WASTED TIME

'Time is precious than money as money once lost can be regained sooner or later, but time once lost can't be regained'

To emphasize the importance and value of time among the students, an offline special assembly was conducted in the Middle School on Thursday, 14th July 2022, the day the school reopened after the summer vacations.

The assembly commenced with a prayer followed by the thought for the day and various news from around the world were read out. Later, the children shared thought-provoking ideas to save time as time management is the key to success. The assembly culminated with a song *BACK TO SCHOOL*.
