

## PEARLS initiative by Prisha Suri- 6K

Prisha Suri, a student of class 6-K and her sister Vinisha Suri, a student of class 4-H, along with two of their friends picked up different projects to work for the community. Prisha shared the motto of her school, DPS Gurgaon, 'Service Before Self', with her friends and all of them felt the need to live up to this and also appreciate what we already have.

### 27<sup>th</sup> March 2021 – Project1: Holi'21

They decided to make Holi a special event and do something for those who are less privileged. During Covid times, they were allowed to distribute only packaged items. So, they collected some basic food and stationery items like pulses, rice, atta, books, registers, pencils and Holi colours and distributed them amongst the children. They played Holi with them at the 'DonateanHour' NGO in Sec-45, Gurgaon.

### 13<sup>th</sup> March 2022 – Project 2: Holi'22

They took the initiative to bake cakes, cookies and brownies etc. at home, under the guidance of their elders. In order to raise money for the children studying at Shiksha Kendra, they sold the baked items, by putting up a stall. This helped them to raise Rs. 21,000/- and they have donated this amount to their friends at Shiksha Kendra.

Prisha, along with her sister and her friends will continue to work towards the motto of DPS Gurgaon, 'Service Before Self'.
