

Delhi Public School Gurgaon organised an educational day trip to the Pradhanmantri Sangrahalaya in New Delhi for students of grade XII on 16<sup>th</sup> August, 2023.

The trip commenced with the students participating in various fun activities like getting a handwritten letter and taking a picture with their favourite Prime Minister at the engagement zone 'Anubhuti. This was followed by 'Bhavishya ki Jhalkiyan, a 360 degree virtual reality helicopter ride of the nation's futuristic developments. The students described it as a 'once in a lifetime' experience.

The students then visited the Prime Minister galleries, from Pandit Jawahar Lal Nehru, Lal Bahadur Shastri, Morarji Desai, Indira Gandhi and all the other prime ministers. They thoroughly enjoyed the interactive experience while learning about each minister's life and works in great detail. The tour guides showed the students around. They saw the 'Rising Hands', the emblem of the museum, where they learned deeply about the historical events of the nation, its policies, and much more. The trip concluded with a tour of the Constitution Gallery, where the students were shown the constitution making process starting from the first draft, up until the recent amendments.

The sangrahalaya's cutting-edge technology-based interfaces left the students fascinated, making the learning process fun. Getting to know about the political history so thoroughly served as a medium for sparking increased interest in the subject. The trip was a valuable experience for the students, which not only helped them understand their curriculum better, but also learn beyond the text.
