

# POETRY ENACTMENT ACTIVITY

## CLASSES VI-VIII

*Poetry lifts the veil from the hidden beauty of the world, and makes familiar objects be as if they were not familiar.*

- P.B. Shelley

Echoing the essence and value of poetry, students from Grades VI to VIII at Delhi Public School, Gurgaon, took part in an intra-class Poetry Enactment activity on 19<sup>th</sup> July, 2025. The activity provided a captivating platform for young learners to interact with literary works beyond conventional study. The activity was designed to cultivate a more profound grasp of poetic themes, emotional nuances, and stylistic elements.

Students across the Middle Wing worked together to turn their chosen poems into amazing performances. The event was characterised by spirited dramatisations, incorporating inventive costumes, relevant props, and powerful vocal deliveries. This not only let them explore the deeper meanings of poems but also helped them build important skills like public speaking, collaboration, and creative expression. By embodying the sentiments embedded within the poems, the students cultivated a richer appreciation for the literary pieces.

The activity garnered fervent participation, with students showcasing remarkable ingenuity and zeal. Hence, this hands-on learning experience clearly made their academic journey richer, creating a lively and memorable encounter with the power of poetry.
