Dear Parents,

This is with reference to the fee payment mode for session 2023-24.

The increase in fee, which is allowed by the Govt. of Haryana (Gazette notification no. - 204-2021 dated 8th December'21) was placed on hold during the pandemic.

Likewise, the monthly fee payment was initiated by the school management during the pandemic and lockdown to support the financial challenges being faced.

With things getting back to 'normal', quarterly payments (which has been the norm for decades) resumes from this session with the incremental increase (as allowed by the Govt.).

The changed fee structure for session 2023-24 has been on the school portal since January'23.

Thank you, once again, for being our partners in bringing the best for our children.

With best wishes

Aditi Misra
Director Principal
