

REPORT RAKSHA BANDHAN ASSEMBLY

'Love between a brother and sister is one of the deepest and noblest emotion.'

Since time immemorial, the festival of Rakhi has always been holding a significance that transcends conventional relationships. It symbolizes the sacred bond of love and the thread of brotherhood that weaves its way through the fabric of our lives.

The Raksha Bandhan assembly was conducted by the students of Jhelum House of the Junior Wing on 7th August 2025. The assembly commenced with an inspiring thought that reflected the true spirit of the festival, setting a meaningful tone for the event. This was followed by a skit that highlighted the significance of Rakhi emphasizing the importance of brotherhood and empathy. The essence of Raksha Bandhan was further brought alive through a mesmerizing dance performance that portrayed the emotional bond between siblings. A unique aspect of the celebration was the emphasis on tying Rakhi not only to siblings, but also to trees and plants, symbolizing a pledge to protect and care for nature.

Ms. Laveena Hemrajani, Dean Communications and Publications, addressed the gathering and highlighted the importance of extending the bond of Raksha Bandhan beyond humans. She encouraged students to celebrate Rakhi with everyone who protects us, including the environment.

The assembly proved to be a meaningful celebration that deepened students' understanding of Indian traditions and cultural values, while also encouraging them to forge stronger emotional and social bonds — with family, community and nature alike.
