

EARTH DAY ASSEMBLY REPORT

“Earth provides enough to satisfy every man’s need but not every man’s greed.”

-Mahatma Gandhi

The students of class VIII B presented a special assembly on ‘Earth Day’ to raise awareness among their peers about the importance of caring for our planet.

The assembly commenced with a prayer led by Dean Student Welfare, Ms. Sapna Dhawan, followed by a melodious song on the need to save Mother Earth. The students also read out the thought for the day, and news to keep everyone informed. Children also recited a self-composed poem highlighting the detrimental effects of human actions on the environment.

The assembly served as a spark for introspection, urging each student to contemplate their role in nurturing the environment. The Head Council Members Pulak Vashishtha, Smriti Agrawal and Roshan Gupta encouraged the students to adopt sustainable practices.

Ms. Dhawan also shared insights on World Heritage Day, emphasising the importance of safeguarding and preserving the Earth for the benefit of future generations.

The Earth Day assembly left a lasting impression, igniting a sense of duty towards building a healthier planet.
