

REPORT

WORKSHOP ON E-WASTE MANAGEMENT

Resource person -Dr Aparajita Singh

An engaging and informative workshop on the topic of e-waste management was successfully conducted by CEEC (Council for Environment and Cultural Education) for students of class IV by Dr. Aparajita Singh from Namu e-Waste Management Ltd. (empanelled by Municipal Corporation of Gurgaon). During the session, students actively participated by raising insightful queries, all of which were addressed comprehensively.

The workshop provided a platform for students to explore the intricate nuances of e-waste management, delving into topics such as proper disposal methods, recycling techniques and the environmental impact of electronic waste.

By equipping them with knowledge and practical solutions, the workshop aimed to empower students to make informed choices and contribute towards a greener and healthier future.
