GPSC CAPITAL 2023- Capax Infinitum meets Alphanode

'The Science of today is the technology of future.'

Delhi Public School, Sector 45, Gurgaon organised the most prestigious GPSC CAP IT ALL 2023- Capax Infinitum meets Alphanode, an Inter-School Sci-Tech Fest on 28th July 2023. The event boasted of 27 participating schools across NCR region with more than 450 student participants, inclusive of both onsite and online events. The fest aimed to provide a platform to foster scientific interests amongst technology-driven youth, to share their innovative ideas and digital expertise.

The event commenced with the felicitation of the panel of judges and a warm welcome extended to the participants, mentors and teacher coordinators by the Director Principal, Ms. Aditi Misra. Thereafter, she declared the fest open. In her opening address, Ms Misra praised the wealth of knowledge possessed by the students and advised them to use it wisely for the welfare of humanity. She applauded the work done by Atal Tinkering Labs which is making huge strides by doing little things and emphasised that students must not just compete but learn from opportunities provided to them. She also advised them to make new friends at the fest. She encouraged the students to make Gurgaon the hub of innovation by moving faster, higher and stronger together.

The mesmerising song and dance performances by the Music and Dance department left the audience spellbound. The highlight of the event was the Street Play competition, Cognizance, wherein schools participated with zest and fervour and entertained the audience with their skilful performances focussing on the themes of Cyber Safety, Importance of Vaccination and Gender Equality. Science and Computer Science oriented competitions during the day were thoroughly enjoyed by the participants. The first position for the on-site category was bagged by DAV, Sector 14, Gurgaon. Lotus Valley International, Gurgaon, were the winners in the online category and also bagged the overall running trophy.

The much appreciated Sci-Tech Fest was eventually declared closed by the Director Principal, Ms. Aditi Misra, as she applauded the efforts put in by the teachers and mentors of the Departments of Science and Computer Science. She congratulated the winners on their accomplishment and thanked all the schools, their principals, participants, and teachers for making the event successful.
