

## ***TALENT FIESTA-2022***

***‘Everyone has some or the other talent... but one can showcase their true talent not by exhibiting what they know, but by embracing what they have learnt’***

The academic session for class XI students of Delhi Public School, Sector-45, Gurgaon, commenced on 30<sup>th</sup> May 2022. A ‘Talent Fiesta’ was organised for them to explore their hidden talents. The ice-breaking fest was organised from 1<sup>st</sup> June 2022 to 14<sup>th</sup> June 2022 giving opportunities to the budding performers, to showcase their artistry and co-curricular skills.

The fiesta witnessed an array of events like Poetic Silhouette, Artistic Narration, Just a Minute, Turn Coat, Street Play, Chef for the Day, Fashion Show, Artist in Action to name a few, which were planned keeping in mind the 21<sup>st</sup> century competencies. Students participated in around 9 offline events, 7 sports events and 5 online events. Parent Reps and alumni of the school community, invited for the events, were really enthralled by the elan and confidence of the students. They appreciated the student-driven initiative.

At the initiation of the fiesta the Director Principal, Ms Aditi Misra urged the students to participate in the events wholeheartedly. She also asked them not to adopt any kind of unfair means. Ms. Misra believes that participation is more important than winning, and such events help in making the students learn from each other even while competing. The zeal with which 100 % students participated and performed was extremely commendable and well appreciated by Ms. Misra and Dean Student Welfare, Ms. Sapna Dhawan.

An impressive display of stunning talents, truly provided an outstanding platform for class XI students, thus marking this fiesta as a success. Many such activities have been planned in the coming session to give the students an opportunity to display their potential.
