Report on Christmas Celebrations

*'Christmas magic is silent. You don't hear it—you feel it.
You know it. You believe it.'*

Christmas brings joy and love. The students of Junior Wing, Delhi Public School, celebrated Christmas through a week long festivity with great zeal and fervour. A special assembly on Christmas was presented with great ardour and zest by the students on 20th December 2021.

The assembly took place in the virtual classrooms. It commenced with a short informative slideshow discussing why Christmas is celebrated every year through a Christmas story and Saint Nicholas' story. This was followed by a fun filled session wherein children sang Christmas carols. Several activities were planned throughout the week to maintain the festive fervour. Students made headgears of their choice to mark the festive season ranging from reindeers, elves to Santa Claus. They thoroughly enjoyed this activity and came up with extremely creative pieces.

They also exhibited their culinary skills by preparing Christmas goodies of their choice during the 'Cooking Without Fire' activity. The entry of Santa Claus to the tune of Christmas carols took the students by surprise.

It was a joyous experience for students which added a little more glitter to the celebration. They participated with great enthusiasm and enjoyed thoroughly. They were happy to spread the happiness and welcome the winter solstice.
