REPORT ON E- RAAHGIRI DAY

The students of Delhi Public School, Sector 45, Gurgaon, participated in E-Raahgiri Day organised by the Raahgiri Foundation, an NGO, on Sunday, 23rd January 2022. The theme of the event was 'Road safety and Air pollution'. The event aimed to promote physical and mental health amongst the students especially, during these unprecedented times.

Overwhelming enthusiasm was seen amongst the students for the online Zumba and Yoga sessions. Creative ideas were shared by the children through their art work and slogan writing competitions. The participants eagerly answered the online quiz competition and won several prizes for the same. Informative webinars on road safety and air pollution were also held.

Live and pre-recorded performances of dance and music created an ambience of festivity and celebration for all the participants. E-Raahgiri provided a platform where issues of road safety and air pollution continued to remain a significant topic of discussion.
