

## Report on Eid Celebration

### Junior School

*‘The richness and depth of celebrations express a culture accurately.’*

Celebrating events and festivals in school has become an integral part of learning and building a strong cultural belief. Such celebrations bring the students closer to each other’s tradition and cultural beliefs and develop respect and understanding for each other’s customs and traditions. The students of the Junior School celebrated the festival of Eid with great enthusiasm. To mark the occasion, an assembly was organised on Monday, 2nd May 2022 for the students, in their respective classes. It started with a solemn prayer to the Almighty and an effort to work for a safe and better world and to live in harmony.

The celebration concluded by apprising the audience about the significance of this holy festival through a poem. The spirit of Eid was well imbibed by the students and also helped them to instil the universal values of brotherhood and compassion.
