Students of Delhi Public School, Sec 45 Gurgaon from classes VII to IX attended the workshop conducted by Goethe Institut/ Max Mueller Bhavan, New Delhi on 28th April 2023. The workshop was fun-filled as well as knowledge based. Even though the workshop had various age groups at different levels, the resource person conducted it in such an interesting manner that it incorporated all groups equally with ease. This kind of teamwork and inclusive interaction was done through quizzes, games and prizes for the winners. The topic was 'Deutschland Erleben' meaning Experience Germany and it helped the students gain quite a lot of information about Germany. At the very beginning, students participated in an energising activity in which they had to answer basic questions through colours. This activity acted as an ice breaker for everyone in the session. The quiz was a combination of simple and complex questions that were to be answered in teams. All students used their knowledge about Germany to design their team names. Overall, it was an enriching experience for every German learner.
