

RAKHI MAKING ACTIVITY

‘A bond of love and togetherness, a thread that binds our lives and hearts forever.’

Students of classes III, IV and V showed their gratitude, love and care towards the brave soldiers of our country by making rakhis for them on the special occasion of Raksha Bandhan on 20th and 21st July, 2022. The students had put in great efforts and their enthusiasm was high as they made rakhis using eco-friendly material. They also wrote heart-warming messages for the soldiers which instilled a sense of pride in them.
