

## Report on Good Readers Visit to NBT

**Reading is essential for those who seek to rise above the ordinary."**

**– Jim Rohn**

Books have the power to shape minds, spark creativity and transport readers to new worlds. They nurture imagination, enhance critical thinking and instill love for learning. To cultivate this passion for reading, the enthusiastic readers of Class V along with four teachers visited the National Book Trust of India on 21st February 2025.

The visit proved to be an inspiring and intellectually enriching experience for both students and teachers. The young readers eagerly browsed through an extensive collection of books, carefully selecting titles that intrigued and fascinated them. A key highlight of the visit was an engaging storytelling session conducted by the renowned storyteller, Ms. Seema Vahi. Her vibrant and engaging narration, combined with the use of props and sounds, brought the story to life, keeping the students captivated throughout the session.

The visit to the National Book Trust was a truly enriching and memorable experience. Such initiatives not only strengthen students' confidence but also instill a deep appreciation for books inspiring them to become lifelong readers and thinkers.
